

SCHOOL WELLNESS POLICY

1. Purpose

Lincoln Leadership Academy Charter School (Lincoln) (K-12), is an independent Local Educational Authority (LEA). The Lincoln campus (12.5 acres) is located on the eastside of the City of Allentown. Lincoln is governed by its Board of Trustees. Lincoln recognizes that student wellness and proper nutrition are related to students' physical well-being, growth, development and readiness to learn. The Board is committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education and promotion, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement.

2. Authority

Sec. 1758b

Lincoln Leadership Academy Charter School has established a Wellness Committee comprised of, but not necessarily limited to, at least one (1) of each of the following: School Board member, Administrator, food service representative, student, parent/guardian, school health professional, physical education teacher and member of the public. It shall be the goal that committee membership will include representatives from each school building and reflect the diversity of the community.

The Wellness Committee shall serve as an Advisory Committee regarding student health issues and shall be responsible for developing, implementing and periodically reviewing and updating a School Wellness policy that complies with law to recommend to the Board for adoption.

7 CFR
Sec. 210.31

The Wellness Committee shall review and consider evidence-based strategies and techniques in establishing goals for nutrition education and promotion, physical activity and other school based activities that promote student wellness as part of the policy development and revision process.

{x} Advisory Health Council

SC 1422

{x} An Advisory Health Council may be established by the Superintendent/CEO to study student health issues and to assist in organizing follow-up programs.

{x} The Advisory Health Council may examine related research, assess student needs and the current school environment, review existing Board policies and administrative regulations, and raise awareness about student health issues.

{x} The Advisory Health Council may make policy recommendations to the Board related to other health issues necessary to promote student wellness.

{x} The Advisory Health Council may survey parents/guardians and/or students; conduct community forums or focus groups; collaborate with appropriate community agencies and organizations; and engage in similar activities, within the budget established for these purposes.

{x} The Advisory Health Council shall provide periodic reports to the

Superintendent/CEO or designee regarding the status of its work, as required.

246. SCHOOL WELLNESS - Pg. 4

SC 1422

Individuals who conduct student medical and dental examinations shall submit to the Advisory Health Council annual reports and later reports on the remedial work accomplished during the year, as required by law.

Nutrition Education

SC 1513
Pol. 102, 105

Nutrition education will be provided within the sequential, comprehensive health education program in accordance with curriculum regulations and the academic standards for Health, Safety and Physical Education, and Family and Consumer Sciences.

{x} Nutrition education in the Lincoln shall teach, model, encourage and support healthy eating by students. Promoting student health and nutrition enhances readiness for learning and increases student achievement.

{x} Nutrition education shall provide all students with the knowledge and skills needed to lead healthy lives.

{x} Nutrition education lessons and activities shall be age-appropriate.

{x} Nutrition curriculum shall teach behavior-focused skills, which may include menu planning, reading nutrition labels and media awareness.

{x} School food service and nutrition education classes shall cooperate to create a learning laboratory.

{x} Nutrition education shall be integrated into other subjects such as math, science, language arts and social sciences to complement but not replace academic standards based on nutrition education.

{x} Lifelong lifestyle balance shall be reinforced by linking nutrition education and physical activity.

Pol. 808

{x} The staff responsible for providing nutrition education shall be properly trained and prepared and shall participate in appropriate professional development. The Lincoln shall develop standards for such training and professional development.

{ } Nutrition education shall extend beyond the school environment by engaging and involving families and the community.

{ } _____ other.

Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.

{x} Lincoln school levels shall promote nutrition through the implementation of Farm to School activities where possible. Activities may include, but not be limited to, the initiation/maintenance of school gardens, taste-testing of local products in the cafeteria and classroom, classroom education about local agriculture and nutrition, field trips to local farms and incorporation of local foods into school meal programs.

{x} Lincoln staff shall cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.

{x} Lincoln food service personnel shall review and implement research-based, behavioral economics techniques in the cafeteria to encourage consumption of more whole grains, fruits, vegetables and legumes, and to decrease plate waste.

{x} Consistent nutrition messages shall be disseminated and displayed throughout the Lincoln, schools, classrooms, cafeterias, homes, community and media.

{x} Consistent nutrition messages shall be demonstrated by avoiding use of unhealthy food items in classroom lesson plans and school staff avoiding eating less healthy food items in front of students.

{x} Lincoln shall offer resources about health and nutrition to encourage parents/guardians to provide healthy meals for their children.

{ }_____other.

Physical Activity

{x} Lincoln schools shall strive to provide opportunities for developmentally appropriate physical activity during the school day for all students.

{x} Lincoln shall contribute to the effort to provide students opportunities to accumulate at least sixty (60) minutes of age-appropriate physical activity daily, as recommended by the Centers for Disease Control and Prevention. Opportunities offered at school will augment physical activity outside the school environment, such as outdoor play at home, sports, etc.

{x} Students shall participate daily in a variety of age-appropriate physical activities designed to achieve optimal health, wellness, fitness and performance benefits.

{x} Age-appropriate physical activity opportunities, such as outdoor and indoor recess, before and after school programs, during lunch, clubs, intramurals and interscholastic athletics, shall be provided to meet the needs and interests of all students, in addition to planned physical education.

{x} A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.

{x} Extended periods of student inactivity, two (2) hours or more, shall be discouraged.

{x} Physical activity breaks shall be provided for students during classroom hours.

{x} Before and/or after-school programs shall provide developmentally appropriate physical activity for participating children.

{x} Lincoln schools shall partner with parents/guardians and community members and organizations, such as YMCAs, Boys & Girls Clubs, local and state parks, hospitals, etc., to institute programs that support lifelong physical activity.

{x} Physical activity shall not be used or withheld as a form of punishment.

{x} Lincoln schools shall promote physical activity through encouragement of walking and biking as a means of transportation to and from school.

{x} Students and their families shall be encouraged to utilize Lincoln-owned physical activity facilities, such as playgrounds and fields, outside school hours in accordance with established Lincoln rules.

{ } _____ other.

Non-Sold Competitive Foods –

Non-sold competitive foods available to students, which may include but are not limited to foods and beverages offered as rewards and incentives, at classroom parties and celebrations, or as shared classroom snacks, shall meet or exceed the standards established by the Lincoln.

If the offered competitive foods do not meet or exceed the Smart Snacks in School nutrition standards, the following standards shall apply:

1. Rewards and Incentives: (CHOOSE ONE OF THE OPTIONS BELOW)

- a. Foods and beverages shall not be used as a reward or incentive at Lincoln.
- b. Foods and beverages shall not be used as a reward for classroom or school activities unless the reward is an activity that promotes a positive nutrition message (e.g., guest chef, field trip to a farm or farmers market, etc.).
- c. _____ other.

2. Classroom Parties and Celebrations: (CHOOSE ONE OR MORE OF THE OPTIONS BELOW)

- a. Only non-food based parties and celebrations shall occur on the school campus during the school day in Lincoln schools.
- b. Classroom parties/celebrations with food/beverages shall be limited to no more than one (1) per month in each classroom.
- c. Parents/Guardians shall be informed through newsletters or other efficient communication methods that foods/beverages should only be brought in when requested for scheduled parties.
- d. Classroom parties shall offer a minimal amount of foods (maximum 2-3 items) containing added sugar as the primary ingredient (e.g., cupcakes, cookies) and will provide the following:

- Fresh fruits/vegetables; and

- Water, 100 percent juice, 100 percent juice diluted with water, low-fat milk or nonfat milk.
246. SCHOOL WELLNESS - Pg. 12

- e. When possible, foods/beverages for parties and celebrations shall be provided by the food service department to help prevent food safety and allergy concerns.
- f. Food celebrations shall not occur until thirty (30) minutes after the end of the last lunch period.
- g. _____ other.

3. Shared Classroom Snacks: (CHOOSE ONE OF THE OPTIONS BELOW)

- a. Shared classroom snacks are not permitted at Lincoln.
- b. _____ other.

The Lincoln shall provide a list of suggested nonfood ideas and healthy food and beverage alternatives to parents/guardians and staff, which may be posted via the Lincoln website, student handbook, newsletters, posted notices and/or other efficient communication methods.

Marketing/Contracting –

7 CFR
Sec. 210.11,
210.31

Any foods and beverages marketed or promoted to students on the school campus during the school day shall meet or exceed the established federal nutrition standards (USDA Smart Snacks in School) and comply with established Board policy and administrative regulations.

SC 504.1

Exclusive competitive food and/or beverage contracts shall be approved by the Board, in accordance with provisions of law. Existing contracts shall be reviewed and modified to the extent feasible to ensure compliance with established federal nutrition standards, including applicable marketing restrictions.

Management of Food Allergies in Lincoln Schools

Pol. 209.1

The Lincoln shall establish Board policy and administrative regulations to address food allergy management in Lincoln schools in order to:

1. Reduce and/or eliminate the likelihood of severe or potentially life-threatening allergic reactions.

246. SCHOOL WELLNESS - Pg. 13
2. Ensure a rapid and effective response in case of a severe or potentially life-threatening allergic reaction.

3. Protect the rights of students by providing them, through necessary accommodations when required, the opportunity to participate fully in all school programs and activities.

Safe Routes to School

{ } Lincoln shall assess and, to the extent possible, implement improvements to make walking and biking to school safer and easier for students.

{x} The Lincoln shall cooperate with local municipalities, public safety agency, police departments and community organizations to develop and maintain safe routes to school.

{x} Lincoln administrators shall seek and utilize available federal and state funding for safe routes to school, when appropriate.
